### **MESSAGE FROM THE PRESIDENT**

Thanks to all who participated in the reception for Sheila Parsons at the Art & Science Center. It was nicely attended and the food was delicious. The centerpiece, a very tall vase of colorful gladiolas was beautiful. Thanks to Alice Pappas for organizing the event and thanks to Jane Borecky for centerpiece. All who attended Sheila's 3 day workshop were in awe of her talent and expertise, and we learned a lot from her. She said she'd be happy to do another workshop for us, and all in attendance said they would be delighted to take another one from her. According to the bylaws, I am supposed to appoint a nominating committee for next year's officers in October. If you are interested, give me a call. If I don't receive any, I'll be calling you! Also, if you are interested in serving as an officer or a committee chairperson next year, please let me know. See you at the meeting!
